

B 14. Disclaim Hardship. -- Don't claim that diagnosis, defeat nor any destruction. When we speak ownership, Satan thinks he has to right to step into the open the door. We learn to rebuke evil because God has given us authority over him and learn to be spiritually mature.

1. Exodus 15:2 The LORD is my strength, the reason for my song, because he has saved me. I praise and honor the LORD-- he is my God and the God of my ancestors. Doctors in America are really good at finding out why our body is not working right. **When doctors verbally pronounce an illness over me, what should I do?**

2. 2Peter 3:14 *My friends, while you are waiting, you should make certain that the Lord finds you pure, spotless, and living at peace. v15 Don't forget that the Lord is patient because he wants people to be saved. This is also what our dear friend Paul said when he wrote you with the wisdom that God had given him. Doctors statements look like a fact but how can I pull down the stronghold with the truth?* (Hint doctors fact is not greater than God's truth.)

3. Isaiah 53:4 *He suffered and endured great pain for us, but we thought his suffering was punishment from God. v5 He was wounded and crushed because of our sins; by taking our punishment, he made us completely well. How did Jesus' stripes pay the price for our healing?*
